

Week of April 27th- Music Challenges

Composer of the Month: It's our last week with Louis Armstrong! Try to listen to one of his songs this week. My favorite is "What a Wonderful World".

Jazz Music in America: Scat! This technique is used by singers in Jazz Music! Scat is a jazz language used by vocalists when trying to make their voices sound like instruments. Even you can scat! Ella Fitzgerald is an expert at scat. Try to find one of her songs!
